DIDSBURY ALBERTA, THURSDAY, JUNE 14, 1956

\$2.50 a Year; 6c a copy

## Golf Tourney Planned For Father's Day

Plans have been completed for a mixed two-ball foursome at the local golf course on Sunday, Father's Day.

Any members not on the draw listed below are asked to contact 46 or 145. Those drawn and unable to play are asked to notify the committee before Friday evening. Ladies are requested to provide refreshments for their partners.

Players are asked to arrange time of their own games.

**The Draw:**  
Dr. and Mrs. McKenzie vs. Dr. and Mrs. McNiel.

Mr. and Mrs. Ken Gillrie vs. Mr. and Mrs. Dick Kimmel.

Mr. and Mrs. George Thring vs. Mr. and Mrs. A. W. Reiber.

Mr. and Mrs. S. Devine vs. Mr. and Mrs. Wm. McParquhar.

Mr. and Mrs. J. Currie vs. Mr. and Mrs. L. Berscht.

Mr. and Mrs. F. Kaufman vs. Mr. and Mrs. F. Nichol.

Mr. and Mrs. J. Tuglie vs. Mr. and Mrs. Alf Allan.

Mr. R. Riddoch, Mrs. Reeta Gillrie vs. Dr. R. Asquith, Mrs. Alf Allan.

Mr. George Wilkins, Mrs. S. Devine vs. Mr. C. Sorenson, Mrs. Reeta Gillrie.

Mr. Jack McParquhar, Miss Vivian Cathness vs. Mr. Joe Messner, Mrs. Alma Shannon.

Mr. Fred Evans, Mrs. Alma Shannon vs. Mr. Bill Moon, Mrs. T. Brown.

Mr. John Holub, Mrs. Nancy Freeman vs. Mr. Bob Bubank, Mrs. Vivian Cathness.

Mr. S. Krueger, Mrs. Nancy Freeman vs. Mr. Earl Erb, Mrs. George Thring.

Fifteen ladies were out on Thursday last to take part in the weekly competition. This time around it was a pitch and putt affair with Mrs. A. Allan using her pitcher and putter to best effect.

Next week the sale day will feature a competition with the bouquets going to the player with the low score on even holes.

### WALTER LEAGUE HOLDS MEETING

(From Our Own Correspondent)

The May 27th meeting opened with a hymn, reading of Psalm 67, and a prayer. A test on chapter VIII of "Story of the Church" was taken up, after which the last chapter was discussed.

It was reported that L.S.W. school would be held in Jasper on August 12 to 17. The membership campaign is still on; a special welcome was given to the newly confirmed.

### FALLEN TIMBER

(From Our Own Correspondent)

Mr. and Mrs. Bill Money and family, Mr. and Mrs. Oliver, and Mr. and Mrs. C. Dick and family were west on the Fallen Timber fishing Sunday.

Mr. and Mrs. C. B. Moore, Mr. and Mrs. Johnny Howison, Danny and Jeannie were supper guests at the home of Mr. and Mrs. J. H. Cooper recently.

A number of the children from the school went to the ball tournament at Cremona last Thursday afternoon and had a very enjoyable time.

We see the Fyten Shoppe opened in Sundre Saturday and we wish them every success in their venture.

Pat McGaffin had the misfortune to get his finger squashed while moving pipe at an oil rig.

Mr. and Mrs. J. H. Cooper were visitors at the home of Mr. and Mrs. George Admussen Friday.

Mr. and Mrs. Bill Money and Mr. J. Teynor were Calgary visitors Thursday.

The June meeting of the Busy Bees was held at the home of Mrs. E. Loughhead. The ladies decided that each donate two boxes of candy to be sold at the dance the night of the school picnic. The proceeds to go for paying for the ice cream for the picnic. A few banner articles will be sold that evening.

George Money, who is employed at the H. Braun farm, was home Sunday.

June Money entertained a number of her friends at her birthday party June 8.

Miss Barbara Starr was a patient in the Didsbury hospital for several days with a septic throat. We are glad to hear that she is home again.

### Subscription Note:

Please pay out of town subscriptions by money order.

A red line under your name means your subscription is overdue.

A blue line means your subscription is coming due next month.

## Bargain Event Still Rollin'

A week-long money-saving event sponsored by merchants of Didsbury comes to a close at 9 p.m. Saturday night, following which a draw will be made for the grand prizes offered, which include a chest of silverware, Evening Star pattern, a mantle radio and a lovely floor lamp.

The specials will run for you for the remainder of the week — the prizes will run for you for years to come, if you have a lucky ticket.

## South West Didsbury

(From Our Own Correspondent)

Mr. and Mrs. Cecil Weber and family and Mr. and Mrs. Donald Weber were Calgary visitors Friday. Little Terryanna Dageforde as spending a few days visiting Mr. and Mrs. Fred Belfus and family.

Miss Norma Belfus was a Friday guest of Norma Jean Dedde.

Mrs. George Meyer and George, Mrs. E. A. Baris and Arlene were weekend visitors in Edmonton with Mr. and Mrs. J. J. O'Brien and family.

The Birthday Club will meet Tuesday, 19th at the home of Mrs. Donald Weber.

Mr. and Mrs. A. E. Lange and family of Claresholm were Saturday overnight and Sunday guests of Mr. and Mrs. H. W. Folkmann and family.

Sunday the Langes went to Rimby to attend a wedding. Mr. and Mrs. R. Lange and family and Mr. and Mrs. O. Lange all of Claresholm, visited with Mr. and Mrs. Folkmann in the evening after returning from the wedding.

Mr. and Mrs. Lynn Hunsperger and family were Sunday dinner guests of Mr. and Mrs. Olen Jackson and family of Acme.

Mr. and Mrs. E. Deadrick and family of Olds, Mr. and Mrs. M. Dipel and Carole were Sunday guests of Mr. and Mrs. Jack Winterbottom and family.

## Red Cross Passes Quota

The following contributions bring the 1956 Red Cross campaign to a close:

Mrs. R. Armstrong \$1; C. S. Brown \$1; Art Lewis \$1; Mountain View No. 49 \$100.

The president and executive of the local branch wish to extend a sincere "thank you" to each canvasser and each contributor.

Miss Heather Marsh spent the \$1800.00 of which has been forwarded to Red Cross headquarters.

The amount mentioned above is well over the quota set by provincial headquarters.

## West Didsbury Calf Club Takes Top Honors At Show

West Didsbury, East Didsbury, Olds, Cremona and Carstairs 4-H calf club held their annual show and sale in the arena last week.

Judging of the 53 calves was done by Ivan Coles of Edmonton and Gordon Gaston of Olds.

The grand champion went to Don Bird of West Didsbury and was bought by Safeway for 32 cents a pound. The reserve was won by Owen Francis of Carstairs and it also sold to Safeway for 30 cents a pound.

Prize winners were, West Didsbury, Don Bird, Jim Hoesgood, Marjorie Bird; showmanship, Don Bird, Jim Hoesgood, Marjorie Bird.

East Didsbury, Jim Good, Jerry Good, Don Hauser; showmanship, Jerry Good, Anna Shields, Don Hauser.

Cremona, Walter Bents, Catherine Cameron, David Whitlow; showmanship, Walter Bents, Floria Robertson, Brian Whitlow.

Olds, Howard Smith, Harry Skoedupole, Freddy Nod; showmanship, Jim Fisher, Verne Empey, Howard Smith.

Carstairs, Owen Francis, Bob Sheehan, Mary Francis; showmanship, Owen Francis, Bob Sheehan, Mary Francis.

Best of Herefords in each club: Jerry and Jim Good, East Didsbury; James and Lillian Hoesgood, West Didsbury; Owen Francis and Bob Sheehan, Carstairs; Walter Bents and Catherine Cameron, Cremona; Howard Smith and Jimmy Fisher, Olds. Best Hereford trophy went to Owen Francis.

Auctioneer was Charlie Rosehill of Olds and prices ranged from 19 to 32 cents a pound. Howard Pulcher, district agriculturist was in charge.

## EAST NOTES

(From Our Own Correspondent)

Beverly Thompson visited with Annie McCulloch last Thursday.

Mrs. Lucy Thompson of Calgary, Mrs. Hannett and Mrs. Lesk of Cranbrook, B. C. were last Tuesday visitors with Mr. and Mrs. Alf Thompson and Beverly and Mr. and Mrs. Donald Thompson.

Mr. and Mrs. Peter Schumaker visited with Mr. and Mrs. Lloyd Ciperley and family Sunday evening.

Miss Heather Marsh spent the weekend with Miss Annie McCulloch, Mr. and Mrs. Stanley Schumaker and Brenda were Sunday supper guests with the latter's parents, Mr. and Mrs. Walter McCulloch.

## Westcott News

(From Our Own Correspondent)

Mrs. Carl Larson of Didsbury has taken over the care of the store and post office at Westcott.

The Joe Whyte family are gradually settling in new surroundings just west of the Dog Pound Creek at Westcott. Seems strange to see activity there where there's never been any before.

The dance held at the school on Friday was very well attended so we were told and all report having had a really good time.

Mr. Chas. Brown was accompanied by Mrs. Lena Sanderson on Friday night to Vulcan.

Mrs. Baudistel Sr., spent a few days in Calgary last week with her son and daughter-in-law, Mr. and Mrs. Adolph Baudistel and family.

We understand Mrs. Adolph Baudistel is not too well and plans are being made for her to go into hospital shortly. We extend best wishes to you Elsie.

Mr. and Mrs. Henry Wilshusen and family were dinner guests on Sunday last at the home of Mr. and Mrs. Bill Trehms.

Mrs. Fred Luft received word last week that her brother had been seriously hurt while working at a cement manufacturing plant out of Calgary. We hope by now all his broken bones are on the mend.

Friday wind accompanied the light shower in this area on Sunday afternoon and although a good rain had fallen a week ago, more is needed as the high winds and temperatures continue to dry out the soil so that there's quite a bit of drifting.

## Highland Notes

(From Our Own Correspondent)

Intended for Last Week: Mrs. Cooper of Calgary was a recent visitor at the home of her daughter and son-in-law, Mr. and Mrs. Walter Gamble.

Congratulations to the newlyweds, Mr. and Mrs. Reuben Olson, who were united in marriage on Friday at the Bergen United Missionary church, with Rev. Hallman officiating. The happy couple are spending their honeymoon in the States and on their return will reside on Reuben's farm here.

A "Tupper" tea was held at Mrs. Minnie Norquay's home last Tuesday evening with seven ladies present. Mrs. Ratcliff was the demonstrator. A delicious lunch was served by the hostess and another party will be held at Mrs. Earl Loughhead's home on June 26, in the afternoon.

Mr. and Mrs. Benny Teynor visited at the Wayne Stringer home Saturday evening.

Mrs. Shirley Admussen and Mrs. Minnie Norquay spent an afternoon recently with Mrs. Ettie Loughhead.

## NEW DOCTOR ARRIVES FROM SCOTLAND

Dr. Robert Gordon Bankier, from Wishaw, Lanarkshire, Scotland, arrived here last week and will work in partnership with Dr. E. E. McKenzie in his medical and surgical practice. Accompanying the doctor are his wife and three children.

Dr. Bankier graduated M.B., Ch. B. at Glasgow University in 1949 and since that time has done two years medical service in the R.A.F. as squadron leader and senior medical officer. He has just completed post-graduate work in obstetrics, surgery and pathology at Western Infirmary, Glasgow and Ayrshire Central Hospital and has been in practice in Yorkshire.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

Several families of the Zella United church congregation journeyed to Red Lodge on Sunday last after services for a picnic.

A cordial invitation is extended to all for the open-air service and potluck dinner planned for Sunday, June 17, when Sundre will participate in a joint service at Zella at 11:30 a.m.

Last Friday night the youngsters of Zella were initiated to a session of volleyball along with the softball practice.

You are invited to attend the Field Day to be held at George McCracken's farm on Friday, June 15th at 1 p.m., sponsored by Howard Pulcher, district agriculturist. Lunch will be served by the Zella Women's Institute.

WESTCOTT WOMEN'S INSTITUTE MAKE DONATIONS

Westcott W.I. met at the home of Mrs. Klineck, Sr. on Thursday, June 7th with nine members and one visitor present.

Mrs. Ed Klineck had as her handicraft topic Mrs. Joyce Mullen, to give a talk on how she does her oil paintings. This was followed with Joyce showing a number of pictures she has done recently and then demonstrated just how she goes about getting her pictures done in the different stages of her work, mixing colors, etc.

Donations were sent to the following: \$3 to the Salvation Army Appeal; \$20 was collected for the Cancer fund.

Mrs. C. Shields was elected as delegate to the constituency conference to be held June 22.

A gift of a wool-filled comforter was sent to the Gebers family from Westcott.

A report of the handicraft exhibit and tea was given by the convener, Westcott won 11 firsts, 13 seconds, and four thirds for a total of 10 points.

A short report on the blankets, etc. received from Brandon Woolen Mills was given, showing only a few items left for sale. The Westcott W.I. had 56 articles to sell.

## Church Group Holds Convention

The annual convention of the W.M.S. of the United Missionary Church, Canadian North West district was held in the Bergen church June 6 and 7. The delegates from almost all fields were present. Reports were encouraging and showed real activity in each group.

They were privileged to have Rev. and Mrs. Wayne Brenneman present both days. They were an inspiration in every service and of real assistance in various questions that arose, since they are on furlough from Nigeria.

The director Mr. Suder, gave a report showing good progress in the work being done. The objective of \$5,000 for foreign missions was surpassed by \$800 and total money raised for all purposes was \$6,608.

Both evenings the church was filled to capacity. For the first service Rev. Bob Simpson showed the film "Angel in Ebony" and made a stirring missionary appeal following it. The second evening Rev. Brenneman brought the message, followed by slides on the work in Nigeria and concluded with a most impressive duet by he and his wife as slides appropriate to the song were shown.

The ladies of the Bergen church did an excellent job of providing meals and sleeping accommodation where necessary.

Next year's convention will be held in Big Valley, one of the newer churches.

Fashion Show Draws The Sighs

The annual fashion show and achievement display was held Tuesday evening, June 7th, in the high school auditorium, which was filled to capacity.

The grade VII girls led the parade modelling their shirts, blouses and dresses. This is the first year of home ec. for the girls in which they are taught the fundamental techniques in sewing. Their finished product is an apron based on these techniques.

No less charming were the outfits for the younger girls made. Skirts and blouses were prevalent among all grades.

Very popular this year are the jumpers which may also be worn as dresses. Matching slaters or jackets were seen with many of them.

Box-styled suits and fitted suits from grades nine, ten and eleven highlighted the evening.

Two grade eleven girls, Bonnie Clark and Lorna Wiggins captured the spot-light with their beautiful Jeanette McArthur, gr. 10, modelled a very pretty skirt which she had designed herself.

A number of outfits were made for younger sisters. These were also modelled by the proud owners.

The boys too, are to be congratulated on their neatly finished woodwork. Articles ranged from the simplest ones such as ash trays to the more complex ones such as coffee tables, dishes and bureau drawers.

There was also a number of class projects which were made for the shop room.

Commentators for this year's fashion show were Robert Atkinson, Fern Eckstrand and Bonnie Clark.

Accompanists at the piano were Joyce Schumaker, Elaine Kimmel, Fern Eckstrand and Donna Easton.

The home economics teacher is Mrs. Kimmitt and the shop teacher is Mr. Biore.

The evening was brought to a close by the serving of tea under the auspices of the Home and School Association.

MOUNTAIN VIEW

(From Our Own Correspondent)

The next regular W. I. meeting will be at the home of Mrs. Eric Atkinson on Wednesday, June 20.

Mrs. and Mrs. John Snyder and family and Mr. W. H. Snyder visited Sunday at Acme with Mr. and Mrs. Dale Fox and family.

Little Norman Pratt from the Junior Red Cross Hospital is home for a two-week stay before he undergoes an operation.

Mr. and Mrs. Harold Shultz and family were Sunday dinner guests with Mr. and Mrs. Ray Allen of Carstairs.

Mr. Ray Hayne and children of Olds visited Sunday with Mr. and Mrs. Grenville McCaig and family.

Wish You Were There? . . . Some Wish They Weren't

Shown above is a reproduction of a scene in a Calgary parking lot last Sunday when 76-mile-an-hour winds toppled a huge sign across five cars parked in the area. The local interest angle comes from the fact that,

the vehicle shown in the foreground is one which was parked minutes before the crash by Len Bercht. Mr. and Mrs. Bercht and family were more than fortunate in arranging their schedule as they did; a

slight pause to light a cigarette could have spelled disaster. The car was driven home the same evening but the taller passengers had to bend their necks a bit — there was a slight dent in the roof.

In other parts of the country trees, buildings and miscellaneous items moved from their previous positions. And we thought we were out of the hurricane belt.

## Your Blood Could Save A Life

When you donate your blood during a blood donor clinic, you are not just giving to the Red Cross, who is simply the agency for trained, skilled and planned handling of this precious fluid, but you are giving to someone in real need. A friend, neighbor, a little child from down street or a patient in the Hospital within reach of the vital service will be forever grateful to you, an unknown friend in need.

This service, is maintained by public subscription and there Red Cross dollars are carefully spent to keep expenses to a minimum. One bottle of life-giving blood at the patients bedside costs approximately \$5.00. Only through real co-operation of public-spirited people giving in their own way has this service succeeded.

Cloud seeding as a means of preventing or reducing the severity of lightning will be tried out in the forest area of northern Arizona this summer. Lightning causes 65 percent of the forest fires in the Rocky Mountain area.

**CHRISTIAN SCIENCE**  
"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services Sunday.

Man's God-given dominion over material laws and limitations will be set forth in readings from the King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the selections to be read from Science and Health is the following (307:26): "Man was not created from a material law which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Psalms (95:3-4): "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth, the strength of the hills is his also."

**CARD OF THANKS**  
I wish to express my sincere thanks to the doctors and nursing staff of the Didsbury hospital for their kindness and care shown to mother, Hughie, Donna, Dick and Arthur while patients there.  
FRED and IVY HODGKINSON

**CARD OF THANKS**  
It is impossible for us to thank personally all those who have offered assistance to us since the loss of our home by fire. Included among those so kind and helpful were: Mr. and Mrs. K. Archer for their help the day of the fire, to the W.I. constituency group which includes all institutes, and Mrs. Harry Richardson and Lorne Clayton.  
To Mr. Fred Metz and the Mt. View Hall board, The Red Cross Society, the Mt. View United Missionary Society, Rev. and Mrs. E. B. Fox and the Redeemer congregation. To the Walther League and Rev. and Mrs. C. Hedegaard, the Neapolis store and storekeepers of Didsbury for the showers, vegetables, fruit, gifts, large sums of money, your thoughtfulness and kindness in every way when we lost our home and all our belongings by fire. During a time like this we learn how much our friends really mean to us and everything you have done for us is truly and gratefully appreciated.  
God Bless you all.

Leo Valentin, French aerialist, who died trying to glide from plane at 9,000 feet, demonstrates his bird-like flying gear before an earlier leap. Valentin's technique was to leap from his plane, open his wings

which he manipulated with his arms, and glide for several thousand feet before opening his chute. He was blown against the side of the plane in the recent fatal jump which was witnessed by thousands.

## No Need For Continuous Advertising

Preachers...

Should preach only one sermon or so a year. People are against sin anyway, so why harp on it.

Traffic Lights...

Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

Teachers...

Do not need to review lessons. Tell the children just once and they'll never forget.

Highway Police...

Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

Out of Towners...

That advertisements in the local paper and mail order firms that send out catalogues are wasting their money. Everyone knows what's in the stores in town and they'll all shop at home.

But if you are one of the foolish kind — like the Notre Dame cathedral that has stood for six centuries but still rings the bell every day to let people know it is still there — and believe in continuous, profitable advertising then you will want to advertise in

**The Didsbury Pioneer**

Communist newspaper and leaflet propaganda in their own language is being spread amongst Polish immigrants in Canada. "Return Home" bulletins are constantly reaching people in Canada of Polish descent. Even phone calls are made by Red agents. This Polish girl, Halina Cranat, is shown holding one of the papers.

### Farms With Electric Power

Farm electric power has greatly changed living and working conditions for a large proportion of Canadian farmers from what they were in years gone by. Electricity added greatly to the comfort of farm homes with its uses for refrigeration and many labor-saving conveniences as well as lighting, and provides the ready means to production aids in the form of water pumps, milking machines, feed grinders and motors for other uses.

The number of farm with electric power has been steadily growing. Five years ago — according to the 1951 census — there were 319,383 farms with electric power in Canada, or over one-half the total of 623,000 farms. This compared with 140,000 out of nearly 733,000 farms reported ten years earlier, and represented a substantial advance in farm electrification in view of the slowing up in extension of power service, during the war years.

### EASY DOES IT

A story goes about a farmer who planted potatoes for a living, and at planting time got a 30-day sentence in the klink. His furious wife wrote him:

"Now you're in jail. I suppose it's up to me to dig in the field and plant potatoes. I ain't gonna do it!"

He answered: "Don't you dare dig up that field. That's where I hid all my money and the guns."

She answered: "Somebody from the jail is reading your mail. The cops were here and dug up the field. What do I do now?"

He replied: "Plant the d-d potatoes."

## H. & S. Association Make Numerous Recommendations

Resolutions that were approved by the Alberta Federation of Home and School Associations at the recent annual convention in Edmonton are outlined below:

### Recommendations To Be Made To The Department —

1. That the Alberta Federation support the R.C.A.F. Home and School which urges the Dept. of Education to make French a compulsory subject in all grades from VII to XII.

2. That the Alberta Federation of Home and School Associations:

Strongly support the motion of the recent conference on teacher recruitment and retention requesting the appointment of a Royal Commission to enquire into all methods of obtaining better teachers and better education. Recommends the following:

(a) that, starting Sept. 1, 1956, two classes of permission to teach in Alberta schoolrooms be adopted; namely permanent certification and temporary license; (b) that starting Sept. 1, 1956, permanent certification shall require two years of university teacher education and two years successful teaching experience, as at present; (c) that, starting Sept. 1, 1960, permanent certification require four years of university teacher education, and two years successful teaching experience; (d) that starting Sept. 1, 1966, permanent certification require four years of university teacher training, and two years of successful teaching experience; (e) that the government is now working on this project and that it should be put into effect in the not too distant future.

The above resolutions are some which were not given in the report

ing, and two years of successful teaching experience; (f) Asks the provincial government to increase materially education grants making possible increased salaries, as well as more and better aids to teaching.

Recommends that the Provincial government grant to the local school authorities a special subsidy based on teacher qualifications above the minimum required, to encourage and retain more highly qualified teachers.

Recommends a substantial "isolation bonus" to all teachers in adequately defined remote or isolated areas.

Recommends an increase in the number of bursaries available to "teachers in training" at all levels.

Recommends, on the basis of these suggested improvements of the status of the teacher a vigorous, extensive, publicity campaign among graduating high school students to encourage their entering the profession.

3. That the department of education be requested to extend the text book rental scheme, now being operated in many Alberta school divisions, to a province-wide text book rental plan, such as is in operation in other provinces, e.g. British Columbia; and that the book rental charge be made on a non-profit basis.

Note: Dr. Swift said that the government is now working on this project and that it should be put into effect in the not too distant future.

The above resolutions are some which were not given in the report

### Care With Treated Grain

Farmers who may have small amounts of grain treated with mercuric compounds or other fungicides left from seedling have been warned not to deliver it to country elevators either in bulk or mixed into other grains. A. F. Doherty, chief inspector, for the Board of Grain Commissioners says that traces of kernels so treated with poisonous compounds to country elevators.

The Alberta Wheat Pool suggests that this is a matter to which farm people should pay very close attention. Several shipments were made last year containing treated kernels and losses, which could easily have been avoided had more care been taken with the same amounts of treated grain, amounted to several hundred dollars per car.

### CHRISTOFFERSON - VINIE

A quiet wedding took place in the Central United Church in Calgary when Hazel Vinie and Norman Christofferson exchanged marriage vows. Hazel, the youngest daughter of Mrs. W. R. Coates and the late Mr. W. R. Coates of Didsbury. The groom is the second eldest son of Mr. and Mrs. Chris Christofferson of Bowden.

Matron of honor was Mrs. Leroy Wollman and the groom was ably attended by Mr. Leroy Wollman.

Following a two-week honeymoon in the U.S.A. the happy couple will make their home in Sundre.

submitted at the last meeting of the Home and School Association. Altogether there were 33 resolutions brought before the annual convention.

## Give it an INCH and watch it take the MILES!

Just a nudge of your toe . . . and there's nothing but pleasure ahead. Now's the time to discover how the frisky new Chevrolet loves to travel.

Drive the new Chevrolet — and get ready to reach for your road maps. There's something about this car that starts you dreaming of those exciting places that always seem to be across the country from where you live.

The fact is, Chevy's got an itch to travel — and it's catching. Nothing serious, you understand. You just want to pack your bags and start putting the miles behind you.

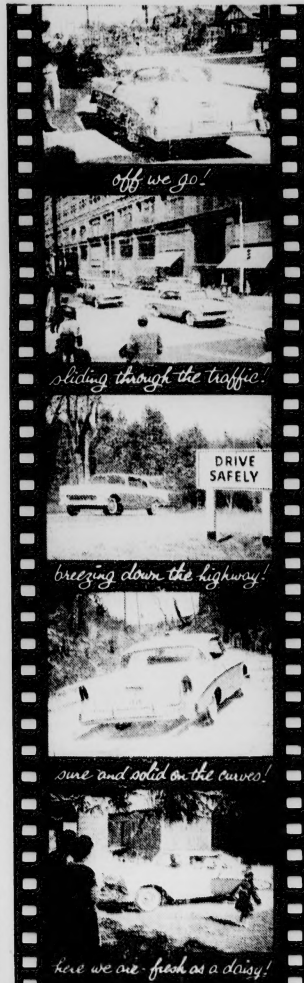

Because Chevrolet covers the miles as only a truly great road car can. That's something you sense instantly in its hill-flattening horsepower, in its solid sureness of control on the tightest curves and

its rock-steadiness on the straight away.

These are the things that give Chevrolet — and you — an urge to go places. And they make the going sweeter and safer. But there's not the slightest need to take our word for all this; why not discover it for yourself? Your Chevrolet dealer will be happy to show you what a tall traveller this new Chevy is! Is your family all set for the fun?

### Ramblin' and Roamin'

**From A Good Source . . .** we learn that it has been established that one year, plus 23 days have been torn off the calendar since the minister of highways for the province of Alberta revealed the fine intentions regarding an asphalt surface on the approach road to Didsbury. Nuthin' but bumps so far!

**From A Good Source . . .** we learn that there is a great demand for "houses to rent" in the immediate area. Gas crews, seismograph crews, highway crews and all allied trades are moving around here in no small number. Anyone with accommodation of any sort could get a customer by making a phone call — the number to contact . . . 90.

**From A Good Source . . .** we learn that a filling station operator — in parts other than these — has solved the problem of the small buyer. The story: A motorist found a line of cars at a filling station which displayed a sign: "Your tank full free if you guess how much it takes." After he had guessed, and lost, he asked the busy proprietor how his plan worked out. "Fellow guessed right about two years ago," he said, "but it only cost me \$1.30. And we don't get any 'gimmie' a dollar's worth' customers any more. Everybody makes a guess and fills up."

**From A Good Source . . .** we learn that a highway accident near Carstairs a few days ago taxed the local hospital to over its capacity. During a short visit to the healing centre the other evening we observed the corridors are still being used as wards. How long will the situation last? There's only one answer — the proposed addition!

**From A Good Source . . .** we learn that vandals have been active again in the area around and on the golf course. The late hours seem to be the time they pick for their destructive manoeuvres. The suggestion has been made that stronger measures should be taken — when characters in this category are apprehended let's lower the boom!

**From A Good Source . . .** we learn that Father's Day rolls around again on Sunday. Being a father with a few years' seniority at the job we feel that the same sentimental recognition is not shown when a comparison is made between Mother's Day and the day set aside for "the old man." As far as this writer is concerned that's the way it should be. However, we need a No. 9 iron to try and improve our golf game, and as we said before Father's Day is next Sunday. Any-one listenin'!

### Farm Share Of Consumers Dollar

In 1955, farmers received 46 cents of each consumer's dollar spent on food of Canadian farm origin; this figure is unchanged from 1954. The farm share was 47 cents in 1953, 51 cents in 1951 and 50 cents in 1949. The average for the period 1949 to 1955 was 48 cents. These calculations are based on fixed quantities of food as determined by Dominion Bureau of Statistics food expenditure surveys.

In 1955, the farmer received a larger share of the consumer's dollar spent on flour, bread, beef, chicken, eggs and potatoes, but received a smaller portion for pork, butter, cheese and some canned fruits and vegetables.

Based on 15 food items, which account for about 75 per cent of consumers' expenditure on Canadian farm foods, 1955 retail prices were almost 11 per cent above 1949; for the farm equivalents of the same 15 commodities, farm prices were about 3 per cent below 1949. Marketing costs increased almost 25 per cent between these two periods while the farm share was lower by almost 9 per cent.

Retail prices of the same 15 food items were highest in 1952 when they were 18 per cent above 1949. These items in terms of the farm equivalent of the retail product, were highest, in 1951 when they were 15 per cent above 1949. Marketing costs for these products were highest in 1952, being above the 1949 figure by 27 per cent.

#### A SHORT NAP

It was so tough for Joe to get up in the morning he went to his doctor, who prescribed a pill. Joe took the pill, slept well, and was awake before he heard the alarm clock. He dressed and ate breakfast leisurely. Later he strolled into the office and told the boss: "I didn't have a bit of trouble getting up this morning." "That's interesting," the boss said. "But where were you yesterday?"

### By The Way

Contributed by

REV. T. J. STANTON, M.A.

#### "WHAT TIME HAVE YOU"

One morning on the street a man asked, of two or three of his neighbors, whom he met in town, "What time have you," and before he could complete his question two of the three looked at their watches. That was not what he intended to ask. His complete question was "What time have you to spare in helping to organize a sports day in our community?" They each looked at the other; no one answered. Yet they favored sports. They would each like to see a good sports day this summer, but to take time out to organize this was evidently something quite different.

Let us ask this question in all seriousness. "What time have you to spend at any occupation?" We cannot answer that one. Time is a deposit held in the treasury branch of eternal. Just when your account or mine will be completely checked out is not ours to know. We can examine some of our accounts, but not that one. Yet it might be well to think about it.

We may belong to one of a number of races; we may be young or old, rich or poor, happy or unhappy, or with or without a home or a job, but in this we are alike, we each have sixty minutes to do something with every hour, for twenty-four hours each day. No government regulations can fix, change or annul the value we get for the time we spend. We are the trustees of our own time. We are directly responsible to our creator who leases to us the use of our bodies and our world, though the use of which we use or misuse our time.

Time is limited. That makes it important. If you play baseball you get three strikes. If you are a golfer you play with one ball. If you run the fifty yard dash the stop watch measures your time. These limitations make for proficiency and

### Natural Gas Installations

We have on display in our showrooms, different types of Conversion Gas burners, for Furnace, Kitchen coal stove, Hot water tanks, etc.

We would be pleased to show you how to convert your Oil or Coal burning appliances in the cheapest and most efficient way.

We will remain open Saturday evenings from 7:00 to 9:00 to enable you to inspect the above at your leisure.

### KAUFMAN & JENKINS

— Licensed Gas Fitters —

Phone 22 — After 6 p.m. Phone 234, 235

interest. They keep things moving. Paul wrote "make the very most of your time for these are evil days." This is good advice for all time. My grandmother used to put a skein of yarn on two chairs. She would loosen one end and begin a ball. The winder would sometimes let the ball fall and it would unwind. That is like wasting time. We waste time when the efforts of the present make no positive vital contribution to the efforts of the past. We save time, or we improve the use of our time, when each day's efforts make an ever increasing contribution of dignity, beauty, satisfaction and eternal worth, to the gains made through the faithful efforts and unending struggles of former days.

We all want to be time savers. So we continue to find new time-saving devices to do our work, and nine times out of ten with only one purpose for doing so, namely, to have time to waste. Many a person will get all hot and bothered running a block or two to catch a bus, only

to wonder what to do with several minutes at the other end of the journey. Time in a sick room seems to go slow, but when the skein of life for the friend or loved one with whom we wait, runs out those minutes which seemed as if they would never end, seem now to have flown by on swift wings. How we wish they had been longer.

We save time by turning to and trusting God. Marahai Pock went daily to morning prayers during world war I. William Wilberforce, through all his struggles to abolish the African slave trade kept regular hours of prayer and public worship. Lord Halifax would retire for a few minutes of prayer from the burdens of his life, daily and come back to his task refreshed.

"He had deep resources of spiritual renewal." "Some men die by shrapnel. And some go down in flames. But most men perish inch by inch in play at little games." What time have you?

TRADES TRAINING  
OPPORTUNITIES  
FOR YOUNG MEN  
OF SIXTEEN

Do you want to learn while you learn a trade? Under the Canadian Army Soldier Apprenticeship Plan, starting 1st June, the Canadian Army will accept a limited number of young men for training in 19 different trades.

The training course lasts for two years and then the Apprentice serves three years with a regular unit. Training starts in September. Under this plan the Apprentice receives —

- Half pay to the age of 17 then full pay
- 30 days paid holidays a year
- Medical and dental care
- Travel and adventure
- A healthy active outdoor life

To be eligible applicants must be 16, not yet 17, have a Grade 8 education, and be able to meet Army physical standards. As only a limited number of applicants can be accepted make your application early. Mail the coupon below, telephone or visit your nearest recruiting station.

SERVICE  
BOARD  
NOTES  
By  
W. E. SNYDER  
Agricultural  
Service Board

**Chemical Weed Control:** Field spraying for weed control is getting into full swing this week. The earlier that crops can be sprayed, conforming with the earliest safe periods for the grain generally is a good rule to follow. An exception is in the case where thistles are a problem and in that case it is better to let thistle plants reach a height of about 6 inches before spraying them. The earliest safe period for wheat is the three to four leaf stage and with barley and oats the four to five leaf stage. Remember always that annual weeds are much easier to kill when they are very small. Less acid per acre may be used and less wheel damage to the grain will be the case.

Don't guess when you are measuring the chemical to put into the tank and be sure of the capacity of the tank. Also, don't guess at the speed your outfit is travelling or at the pressure your pump is delivering. Every one of these factors have a very definite bearing on the results you may expect from your efforts expended. An error on any of these points could make the difference between success or failure in your weed killing expedition.

A good speed to travel with a tractor on a smooth field is five miles an hour. This will take you 37 seconds to travel 200 feet; 4 miles and hour requires 34 seconds to do the same distance. Another thing, be sure that the water and weed chemical has been well mixed before you start spraying the crop.

Inadequate mixing has often resulted in crop "burning" for the first few rounds. If you have any doubts feel free to contact me and I will be glad to give you the best advice that I can.

HOW CAN THEY  
CROSS THE ROAD

A boy of seven may be able to drive the tractor as well or almost as his father.

But he can't be licensed until he's 16.

So how does he legally cross the road?

He doesn't Ontario farmers say, and they're worried about the case of their young tractor drivers as well as older neighbors who so often drive tractors after their car licenses have been suspended.

Since Jan. 1, nobody under 16 can get a car license in Ontario and kids who got them last year and who are still not 16 have had them cancelled. So when there was a bid to set a minimum age of 15 for tractor drivers on the road it got talked out.

"My own boys and lots of boys of 12 and 14 are much more competent than older people," said President C. A. Millman of the Ontario Federation of Agriculture. "If a farmer has land on two sides of a road how is the boy going to cross?"

One man he heard of a farmer who had nine boys, taught them to drive as soon as they were old enough to sit in his lap. After they were 14 it was too late. They knew more than their dad.

So Ontario farmers are leaving well enough alone but they're good and worried about moves to license all tractor operators and about farmers who create bad public relations.

"It isn't right for a man who lost his car license for drunk driving to be able to drive his tractor on the road," said Lawrence Kerr, a big man from Chatham. We've had enough adverse public relations. This man should not be allowed to drive his tractor into town and get drunk again at the beverage room."

One story was that a man of 20 got drunk and pushed another fellow at 60 miles an hour through town and lost his license for a year. But, an Elgin delegate said, the police can arrest any drunk driver, whether he's driving a car, truck or tractor. No special legislation was needed.

**SAFETY DEVICES**  
Here's another problem: Do we need more safety devices on farm machinery? Or more safety-wise farmers? Or both?

This is a good argument. It had the Federation delegates almost tied in knots. Kent county farmers argued present design of mechanical corn picker was responsible for many accidents. They wanted modification of gearing with reverse gears added so rollers could be cleared when material got lodged.

"This is good," spoke up one man. "I know seven men in my county who've lost hands or arms."

More gadgets, more costs," said another.

"So long as there's a hole to put a finger in, somebody's going to get hurt," was one comment.

In this hey-day of the farm machine, the corn-picked story makes coast to coast reading.

If we'd moved slower and more carefully we'd avoid many accidents. If we must go at a faster clip then new safety devices may be needed to keep up in one piece. Ontario farmers tossed this problem back and forth and finally voted to ask the

Evidence Of  
Poor Leadership

We, like millions of other Canadians, have been more than a little ashamed of the procedures in the House of Commons at Ottawa in connection with the Trans-Canada Pipelines legislation. The principles involved, looking at it from the Alberta perspective, do not justify the unseemly actions of the Conservative and C.C.F. opposition. Time is the essence of this special legislation, not only to the company involved, but to many thousands of Canadian potential gas consumers, from Alberta eastward to Montreal. The country needs this shot in the arm to sustain its even flow of economy, and the chance over from U.S. oil to Canadian natural gas will stabilize the international rate of exchange. The Conservatives have bitten the wrong dog because this time, if they think their actions will win them votes. We would wager that a flash election at this moment would all but wipe out the remnants of the Conservative party — and we are nominally Conservative in our own politically thinking.

— Camrose Canadian

LIGHT YOUR WAY  
WITH BIBLE STUDY

The Christian religion is a very interesting subject. Today, you will find religion being debated and discussed by churchmen and unchurchmen in churches and Bible classes, in restaurants and on trains, and even on the street corner. Newspapers and periodicals devote space to religious matters.

This is however not the purpose of religion — just to be discussed as an interesting topic. It was given us by God — to make our wise use of salvation through faith which is in Christ Jesus." 2 Tim. 3: 15. The Christian religion deals with man's most basic need: his need of a Savior from sin and from its dreadful consequences.

Is it not strange then that there are so many people who are coldly indifferent towards the Christian religion? They are not concerned about the eternal salvation of their immortal souls. They find the Christian religion dry and dull; church services insipid and vapid. So many today are concerned about their bodies, their crops, their business, their homes, their professions, their recreation — but they are totally indifferent to the one all-important matter, the welfare of their soul. The prophet Amos of old, must have had to deal with similar conditions, for he summed it up with these words: "Woe to them that are ease in Zion." Amos 6: 1.

And St. John the Divine could be speaking of man in the year 1956 when he pens: "I know thy works, that thou art neither cold nor hot. I would thou wert cold or hot. So then, because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth." Rev. 3: 15-16.

These words also show the folly of indifference toward the religion of God: by it man jeopardizes the welfare of his soul. Today God's mercy calls us. Let us not be indifferent but believing.

Brighter Stars  
for  
Drive-in-Viewers

Your favorite movie star's smile beams three times as clear and bright from an aluminum screen recently developed for outdoor theatres.

The new screen has won the praise of both audiences and owners. Little wonder the latter like it: one operator found his receipts increased by \$40,000 in two months after he replaced his conventional screen with the highly reflective, weather-proof aluminum job.

And so it goes... Still another improved product, another use for this versatile modern metal. The result: everybody gains by production from Canadian smelters that already account for a quarter of the world's primary aluminum.

**ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)**

manufacturers to consider the change.

And, to add to the argument, they want new gearing for combine harvesters, too.

Engineer's sketch showing over-all Sarnia refinery. Part of an extension of Platform and Udx facilities expansion program at the refinery to be built at Canadian Oil's new these new facilities will considerably increase Canadian Oil's production of petrochemical raw materials.

### Notes From D.A.

Due to climatic conditions throughout the province there has been extensive winter-killing in legume crops. This factor together with prevailing dry, hot weather this spring will make the hay crop very light, especially the first cutting. With no carry-over of forage from last year, the feed situation could become quite serious this winter.

There is still time to seed oats or other grain crops for green feed. If your feed situation looks as if the forage supply will be short, it would be a good move to seed some green feed or plan to cut some of the oat crop for green feed, as all indications point to high forage prices this coming winter.

Another feature which must be borne in mind is that with the severe winter killing of legume crops in the seed producing areas, the price of forage seed in the next year might possibly be substantially higher than the prevailing prices of today. In any case, with these factors which I have mentioned affecting forage crops it would be well for everyone concerned to carefully consider their own situation and make the necessary changes to ensure ample forage supply for the future.

I have had numerous inquiries regarding the Sweet Clover Weevil. This insect attacks the sweet clover crop, the first evidence noted is defoliation of the growing plant. Sweet Clover weevils chew crescent-shaped pieces out of the leaves. If the infestation is severe they will strip the plant. The insect is hard to find because of its color being similar to the soil. When a plant is disturbed they fall to the ground and become still.

W. Lobay, Supervisor of Pest Control for Alberta, recommends following immediate control measures: Eight (8) ounces of actual dieldrin or heptachlor, 1 lb. actual chlordane, or 1 1/2 to 2 lbs. actual DDT, or 12 to 16 ounces of aldrin or 32 ounces of toxaphene per acre, will give effective chemical control. Emulsions of any of the above mixed in 8 to 10 gallons of water per acre will give good coverage. If the foliage is not too heavy the amount of water could be reduced. Conventional weed sprayers can be used effectively, but, warns Mr. Lobay, they should first be thoroughly cleaned of all traces of 2,4-D.

### IGNORANT CUSS

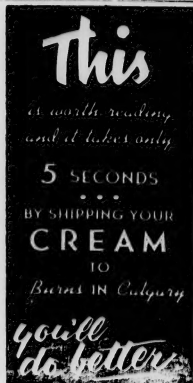

Pete, the sky-scraper window washer, fell from the 44 floor, and a neighbor came in to comfort the widow.

"Did Pete leave you anything?" the neighbor wanted to know.

"Five thousand dollars," the widow informed her.

"Imagine that!" exclaimed the amazed visitor. "Five thousand dollars, and he couldn't read or write!"

"Or fly," the widow calmly added.

### Power Certainly Helped ...

Modern farm machinery certainly demonstrated its worth on the prairies this spring, says The Financial Post. In a little more than two weeks, grain seeding was practically completed.

Back in the old horse days, in a wet year like this, probably only half a crop could have been sown with any hope of success. By then the season would have been too advanced for wheat to mature or the soil too dry to germinate the seed and get it growing. Now with machinery which can be operated 24 hours a day if necessary an enormous area can be seeded within hours of the time the soil is first fit to work.

So long as crops depend on rain and sun, grain growing must remain a weather-hazardous business. But new equipment, new methods, and new varieties have removed a lot of risk.

The total crop failures we experienced regularly up to the 'thirties we will probably never see again.

Alberta ranks third, behind Ontario and Quebec, in mineral production.

### Pastor To Attend Church Convention

Rev. and Mrs. E. B. Fox intend to leave on Sunday, June 17, immediately after the morning service for St. Paul, Minn., where Rev. Fox will attend the 43rd regular convention of the Lutheran church - Missouri Synod, meeting in the St. Paul auditorium, June 20 to June 30. Rev. Fox will be an official delegate of the Alberta - British Columbia district to this convention. He has also been appointed public relations representative for this district to the convention. Current plans are for Rev. and Mrs. Fox to motor down.

Mrs. Fox will spend a number of days with her husband at St. Paul and then visit with a former girlhood friend at Red Wing, Minn.

Rev. Fox has been asked to preach at the mission festival of Concordia Lutheran church, Red Wing. Part of his presentation will be in the form of an illustrated lecture on the work of the Lutheran Church in Western Canada.

The Lutheran church - Missouri Synod holds such a general convention every 3 years. At these conventions the work of the church is planned and discussed. Each delegate is required to be fully acquainted with the matters that will be dealt with, and therefore he receives a short time before the convention a book or reports and memorials, numbering about 600 pages. This deals with such matters as seminaries and colleges, parish education, young people's work, missions, constitutional, interdenominational and doctrinal publication, financial and miscellaneous.

### ALBERTA WHEAT POOL PATRONAGE

The Alberta Wheat Pool intends to operate for the crop year 1956-57 on a patronage dividend basis in keeping with the co-operative principles on which the Pool was formed. The following notice is published in compliance with the provisions of "The Income Tax Act": —

"As required by "The Income Tax Act" this will advise our members that it is our intention to make a payment in proportion to patronage in respect to the year ending the 31st day of July, 1957, and we hereby hold forth the prospects of a patronage payment accordingly."

## DISTRICT NEWS

### Girls' Clubs Held Achievement Day

The Bancroft Buttercups, Lone Orioles, and Mountain View Jolly Juniors held their achievement day on June 2, at Lone Pine Hall. A record crowd was in attendance and Bancroft scored the most points in handicrafts, with Lone Pine second and Mountain View third.

The girls showed a wonderful display of handicrafts, including sewing, knitting, crocheting and embroidery.

Mrs. Kimmitt of the Didsbury teaching staff acted as handicraft judge.

One of the highlights of the afternoon was the public speaking contest, of which Mr. Schellenberg was judge.

In the senior public speaking class, Pat Hoskin was first. In the intermediate class Jean Gratz was first. Both girls are members of the Bancroft club. In the junior class, Christine Fry of Mountain View was first.

## WEDDINGS

### OLSON - ERICKSON

A quiet but impressive marriage ceremony was solemnized on June first in the United Missionary Church at Bergen. The bride was Miss Esther Erickson, eldest daughter of Mr. and Mrs. Iver Erickson of Bergen, and the groom Reuben Olson, only son of Mr. and Mrs. Albert Olson of Bergen. The ceremony took place at 11 a.m. with Rev. C. J. Hallman officiating.

The bride wore a white nylon short formal dress with a finger tip veil, and carried a bouquet of pink and white roses.

As her sister's matron-of-honor, Mrs. Fred Mills wore a pink dress, white hat, gloves, and corsage. The best man was Mr. Fred Mills, the bride's brother-in-law.

After the ceremony a reception was held at the parsonage. A lovely lunch including a piece of the lovely three-tiered wedding cake was served to 21 guests.

Immediately following the reception the happy couple left for their honeymoon. They will be travelling by bus, and will visit relatives and friends in Idaho, Washington, Oregon, California and Montana.

## BERGEN NOTES

(From Our Own Correspondent)

Miss Leona Wiens is home after working for a number of months at Lethbridge.

Mrs. Gordon Bradley left Sunday to work at the Mel Eskrick camp, west of Sundre.

The local Women's Missionary Society entertained visitors and delegates of the district convention held at the United Missionary church on Wednesday and Thursday of this week. Several were served at the church. Large crowds were in attendance at services both evenings.

Guests of Mr. and Mrs. Mel Eskrick of Sundre on Sunday were Mrs. G. Bradley, Mr. and Mrs. Eric Lyle, Mr. and Mrs. Wesley Haug and Mr. and Mrs. Tryve Haug and boys. The occasion was Mel's birthday.

Rev. and Mrs. Swalm, former pastors at Bergen, were recent guests at the home of Mr. and Mrs. Dave Wiens.

In last week's news Mr. and Mrs. Ira Gamble's name was omitted from those having their babies dedicated at Sundre.

The trees west of the Fallen Timber river look very desolate as they are bare of leaves except for a few at the top. Some people say they have been attacked by insects, while others advance the theory that they were frozen while in bud. Whatever the cause it surely mars the beauty of the countryside.

## M.V.B.C. NEWS

(From Our Own Correspondent)

President Taylor and the King's Messenger Quartet have returned home. They arrived Saturday noon and you can well imagine the excitement around the Taylor home. Well, we all joined in the welcome, and it was good to see each one. The group had travelled nearly 10,000 miles in their tour. On Saturday night they sang and spoke in Youth for Christ, Calgary, and several members of the Faculty accompanied them there. On Sunday morning the group took the service in the Didsbury Church. The young men sang a number of selections, a report of their travels was given, and President Taylor preached a most inspiring and challenging message. It was a good home coming. In case you do not remember the personnel of the quartet, here it is: Earl Reimer, first tenor, David Archer, second tenor, Clifford Quantz, first bass, and Ormand Shierck, second bass. They are a quartet worth hearing. They sang 350 times as quartet, and about 100 solos and instrumental numbers beside.

Mrs. Lydia Bader presided at the annual convention of the Women's Missionary Society of the United Missionary Church at Bergen last week. She reported a large attendance with good interest. She was re-elected director of the organization for the coming year.

This week the annual conference will be in session when you receive this paper. Under the new church organization the general superintendent, Rev. Kenneth Geiser of the church will take charge of the meetings, and the conference chairman, Rev. Harley Traub, will be co-chairman of the conference. All matters of the conference and the college will be reported there.

Mr. Donald Archer, who is concluding his work in accountancy in Calgary, audited the College books this year. We appreciate the good work that he did for us.

Mr. and Mrs. Dan Neufeld have rented the school property that was purchased a few years ago from Mr. Stroud. They finished moving in last week.

Little Keith Taylor had a birthday a short while ago. He is now four years old, and was able to enjoy the event, and to appreciate the lovely gifts he received. He was excited for some days before the great day.

Mrs. M. A. Finlay, mother of Mrs. Taylor, is a guest here for a number of days while she takes in the W.M.S. convention and conference. We are always happy to have her visit the campus for down through the years she had been an active supporter of this great work, and still is. She is also a member of the board of directors for the college.

Arthur Eby has been very busy beautifying the college grounds. He has attacked the dandelions and there is great evidence that he will be the winner in the struggle. We are hoping to rid the grounds of this weed in time. Some perennials were donated to the College and these are coming along very nicely now.

## Rugby W.I. Hold Picnic

The Rugby W.I. held their June meeting at the home of Mrs. McNaughton with 11 members and five visitors present.

Mrs. W. Luft gave a very interesting report of Mrs. Berry's visit to Olds. Mrs. Berry is the president of the A.C.W.W. from Queensland, Australia.

The Rugby W.I. will sponsor a community picnic at the Red Lodge picnic grounds on July 5 at 12 noon, to which everyone in the Rugby district is invited. Bring a picnic dinner and eating utensils. Tea, cream and watermelon will be served by the W.I.

Much useful information was derived from the topic "Frozen Foods," which was given by Miss Arlene Nelson, district home economist.

### Little Items of Local Interest

Dr. and Mrs. E. Asquith of Regina were weekend visitors with Dr. and Mrs. R. Asquith.

Mr. and Mrs. C. Sorenson and Mr. and Mrs. S. Devine spent the weekend trying out the Banff golf course.

Miss Ellis Devine of Edmonton arrived last week for a two-week vacation with her parents.

Major and Mrs. O. P. Brenner, from Elgin Air Base, Florida, accompanied by Dr. Harold and Dr. D. Russell, of Edmonton, were weekend visitors with Mr. and Mrs. Maurice Shannon.

Monday evening Mr. and Mrs. Wm. McFarquhar attended convocation ceremonies at Mt. Royal College in Calgary when their son Lindsay received his diploma.

Winner of a lawn chair in a draw made last week at Leeson Hardware was Miss Lorna McInnes.

This isn't the curling season but at a recent meeting members talked seriously of purchasing matches, rocks for the club next season. A fine idea but a spot of effort will have to go behind the campaign.

Mr. W. F. Currie of Westlock is relieving at Law's Drug Store while the boss and his wife enjoy a vacation at the west coast.

Mr. and Mrs. Ed Ford, Lyle and Eddie, Miss Geraldine Ford, of Plamondon, and Miss Margaret Graham of Lac-la-Biche, spent the weekend at Sylvan Lake.

### CREMONA NEWS

(From Our Own Correspondent)

Little Orphan Annie, the mascot found by Hubert Phipps west of Cremona died last week. Infection from the wire cut and lack of nourishment for two days were the suggested causes. The calf was without food for some time before Hubert fed it.

The Cremona Cubs spent a wonderful weekend camping out on the Burkholder farm. The boys camped out two nights and wound up their outdoor venture with a family picnic on Sunday. Mr. J. Summerton, Mr. Ralph Muir, and Mr. Virgil Burkholder are cub leaders. These leaders are rendering much needed service to the community. Rev. D. of the United Missionary Church, conducted morning worship for the boys.

The MSI rates are going up in price commencing August 1. The rate increase is to be 25 cents a month for single contracts, 25 cents a month for couples and 50 cents a month for families. Please contact the Credit Union office for further information or phone 312 Cremona. Next month is the month to renew your contract for MSI.

Mr. Vair Reid substituted for the superintendent, Mr. Alan Reid who was ill on Sunday, June 10th.

Cremona held a ball tournament last Thursday, June 8, competing were Water Valley, Graham, Big Prairie, Bituma and Cremona. Cremona won all the games except one which they tied with Graham - Big Prairie juniors.

**Cremona Ball Tournament**  
On June 7 a school ball tournament was held in Cremona. In the Junior section, 13 years and under, four teams were competing. In the first game West Hope - Mount Hope versus Cremona the score was 35 to 1 in favor of Cremona. In the game Big Prairie - Graham vs. Elkton - Fallen Timber the score was 21 to 20 in favor of Big Prairie - Graham. The winners played off in a three inning game that ended in a tie.

In the senior section, 15 and under, Water Valley - Bituma vs. West Hope - Mount Hope, the score was 12 to 7 in favor of Water Valley - Bituma. In the second game Jackson - Sunnyslope vs. Cremona the score was 7 to 2 in favor of Cremona. The winners in this section played off. The score was 22 to 0 in favor of Cremona.

### FISH AND GAME NEXT WEDNESDAY

There will be a meeting of the local Fish and Game Association on Wednesday, June 20, starting at 3 p.m. in the Lions Hall. Interesting films will be shown.

### Coming Events

—St. Cyprian's W. A. will hold its annual Strawberry Tea and Bazaar on Saturday, June 16, in the Lions Hall from 3 to 8:30 p.m.

—The Didsbury Branch of Ladies Auxiliary to the Canadian Legion B.E.S.L. will sponsor a dance at Lone Pine Hall, Friday, June 22, 23-2tc

—Regular meeting of Mons Chapter, I.O.D.E. will be held on Thursday, June 14. Pot-luck supper at 7 p.m. in Lions hall.

—The Didsbury local of the F.U.A. No. 1009 will hold a meeting in the Springside school on Wednesday, June 20 at 8:30 p.m. This is an important meeting and several matters of business will be discussed as well as elect delegates to district convention in Oids, June 29.

Attend the Car Bingo at Carstairs Arena, Wednesday, June 27th, 8:30 p.m. Grand prize a new 1956 Ford sedan, \$4,500 in prize, 20 games. Tickets \$3, extra cards 50 cents. Sponsored by Community Council.

### SHOWER HELD FOR JUNE BRIDE-ELECT

A miscellaneous shower was held in the United Missionary Church basement Tuesday evening in honor of Miss Gwen Clarke. Sixty ladies were in attendance and were pleased with the decorations which included spinning flowers, lilacs and balloons. Mrs. C. Leeson at the piano, Mrs. Walton with her violin and a singing group provided the entertainment. Presentation of gifts were made by Heather Clarke and Charlotte "Bayon" who were dressed in traditional hide and groom costumes. Their trailer included a mock telephone switch board, complete in all detail.

The guest of honor showed her appreciation for a wonderful evening with a few words of thanks to all ladies present.

### BIRTHS AT DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. Rex, Fulkerth of Violet Grove, on June 9, a son.  
To Mr. and Mrs. Boyd May of Cremona, on June 9, a son.  
To Mr. and Mrs. George Scott of Didsbury, on June 10, a daughter.

### Harmattan News

(From Our Own Correspondent)

The Harmattan hall club meeting was held at the home of Mrs. Lucas on Wednesday, May 30 with most members present. Roll call was "Where We Would Like to Spend a Vacation." Business was deciding on making a quilt. Door prize was won by Mrs. Art Johnson. Next meeting to be held at Mrs. Dave Morgan's.

Mrs. Clara Armstrong and Mrs. Bill Crawford were hostesses for a birthday party held last Saturday afternoon in honor of Miss Trudy Dodd's 8th birthday.

Miss Joyce Slang of New Westminster, B.C. was a recent guest of Mr. and Mrs. Ernie Slang. A very successful track meet was held at the Harmattan school recently, with the following schools taking part: Westerdale, Hainstock, Rugby, Inverness, Bergen and Harmattan. Score was taken by number of points in each event then total divided by number of children attending that school. Westerdale was the winner of the trophy. As a safety measure Mr. Bieber had the R.C.M.P. patrol the roads around the school for drivers going at excess speed and this was much appreciated by parents.

Mr. and Mrs. W. Becholdt (Renee Wiper) of Wainwright, are receiving congratulations on the birth of a daughter June 11. Mrs. Jack Wiper is staying with the family at present. Mr. Jack King of Chilliwack, B.C. was a recent visitor of Mr. and Mrs. Warren Conrad.

The May meeting of the Home and School Association was held at the school on Monday, June 11. Meeting was opened for discussion and it was decided owing to the shortness of time the H. & S. has been in operation that the award of a prize to the room having the most points for parents attending be delayed until Christmas. Lunch for the school picnic to be held on June 28 was decided on by the social convener, Mrs. A. V. Johnson and final arrangements were completed. Mr. Bieber's room was awarded the pennant for this month.

Decision was made by the nominating committee that officers remain as before until November, owing to not enough members being present to warrant re-election. Mrs. Christensen and Mrs. Vic Johnson then held a panel discussion on "whether comic books were harmful to our youngsters." Mrs. Kolstad made a suggestion that if anyone had children's books which they no longer needed would kindly donate them to the school library it would be very much appreciated. Mr. and Mrs. Dave Morgan, Mr. and Mrs. E. W. Grange and Mr. Art Grange were weekend visitors to Buck Lake.

Harmattan ball team played Hainstock at Oids on Sunday. Score: Harmattan 9, Hainstock 6.
